### **New Business:**

Jill McDermott, chairman of the Sectional, reported as follows

1. Need a co-chairman
2. Dates available at the JCC when there is no Husker game are November 12-14

4. Ideas for the Sunday lunches for the players were Jason's Deli and Panera
5. Jill read aloud the many current mandated provisions of ACBL for holding a Sectional  
It was discussed if we would go ahead with our Sectional if the mandates were not lifted in time for us to get our deposit from the J back. The ACBL will reevaluate at 100, 60 and 30 days out.

Ideas on how to grow the participation at the clubs and to encourage new players

1. Jill suggested we approach the Educational Grant Foundation (EGF) for funding mini lessons during or before the tournament
2. Claire said there would be a 0-10 point section for newer players
3. Claire suggested we investigate Bridge Whiz, the ACBL Educational Association on line lessons.  
Rod agreed to approach Kim and Karen Hawkins in an effort to partner with The Boys and Girls Club  
We would need someone to run the program  
We also should provide an incentive for the kids to join and complete the program
4. The Mentoring program. Cookie will ask Carol Miller to run the program again  
Barb O'Daniel agreed to work with her or someone else  
Ideas include a 1-time mentoring date on a Friday PM, 8 Partnerships, 8 Mentors and 8 Mentees  
There should be a teachable reason for each hand which can be discussed after the game
5. BBO will stop giving master points at the end of the year which will be an incentive for people to return to the clubs.

Claire will check with Jan Loftin regarding the Regional in 2022.

The meeting was adjourned.

Respectfully Submitted,  
Stephanie Holcomb, Secretary
