

Minutes of ACBL Unit 241 Board Meeting
April 9, 2026

Board members present included Scott McIntyre, Jonathan Cohn, Linda Hitt, Jane Slezak, Dawnette Kahnk, Bill Treadway, and Andrew Clements.

Minutes from the last board meeting, January 15, 2026 were approved.

Tournament Report:

Jonathan reported that Sectional tournament dates are set for October and January of 2027, and Regional/Sectional dates are also set for 2028. At the upcoming Sectional, Marriott will be supplying refreshments. Bill reported that the recent Council Bluffs tournament didn't quite break even, but indicated their club was satisfied with the outcome.

Treasurer's Report:

Andrew reported cash balances at the end of March of \$29,711 in checking, \$3,634 in our money market, and \$15,000 in a CD, for a total of \$48,345.

Bridgemates:

If local clubs would like to acquire new Bridgemate III equipment, they should actively seek the players' and Board assistance if they need it. The Board/Unit does not supply equipment to clubs. Jane will solicit feedback from directors on club needs and willingness to upgrade their equipment.

Membership:

Linda continues to follow up with members whose membership is lapsing.

2026 Player Appreciation Game:

Scott recommended June 12 this year at the Studio, with pizza to be provided, and a nominal entry fee to participants.

Other Business:

We discussed presenting awards/recognition to specific volunteer(s) at the Player Appreciation game on June 12. Jane will follow-up with options.

Our next meeting will be, June 4, 2026, 6 PM, location to be determined.

Respectfully submitted,

Jane Slezak
Secretary
